

BEFORE THE
WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION
WASHINGTON, D. C.

ORDER NO. 49

Served August 17, 1961

IN THE MATTER OF:

Establishing a Bus Stop on)
Georgia Avenue-Seventh Street)
Bus Line, Route 70-74,)
D. C. Transit System, Inc.)

An Amoco gas station has recently been constructed on Georgia Avenue between Quincey Street and New Hampshire Avenue, Washington, D. C. The South driveway of the new station interferes with the existing bus stop.

Request has been made for the establishment of a bus stop eight feet north of the south driveway of the gas station in lieu of the present stop. It appears that public convenience and necessity require the establishment of this bus stop.

THEREFORE, IT IS ORDERED:

- (1) That a bus stop be established at the following location:

On Georgia Avenue, N. W.
West side, north of the south driveway of the Amoco Station
between New Hampshire Avenue and Quincey Street

- (2) That the following bus stop be abolished:

On Georgia Avenue, N. W.
West side, north of New Hampshire Avenue

- (3) That this Order become effective immediately.
